Dear Sandra Coney and Phillida Bunkle

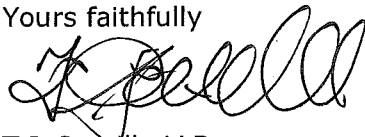

The Vice-Chancellor, Professor Stuart McCutcheon, has asked me to reply to your letter of 16 May.

We have no record of ever having received the letter of 20 August 2010 to which you refer.

Your letter of 20 August 2010 details a number of alleged errors in Professor Bryder's book. The issues you raise are subjects for book reviews and other scholarly commentaries not for intervention by university authorities.

I suggest that the appropriate process would be for you to take them up directly with the author.

Yours faithfully

T P Greville LLB
